International Women’s Day is celebrated in the AKHMC & H,  
Alephata. We arranged the programme under the **National Service  
Scheme**. International women’s day is a global day celebrating the social  
, economic, cultural and political achievements of women.

The program started by welcoming the chief guest Dr. Komal  
bhandari and Dr.Jyoti chopade, President of Kulswani Medical  
Foundation Dr. Saraswati Kanase , Respected Principal Dr.kamlesh  
Gholap . An introductory Speech of program was given by the Host-

Komal Mahajan . Chief guest Dr. Komal Bhandari (B.H.M.S) who is the sarpanch in grampanchayat in Alkuti Tal. Parner who is also the Alumni of Anantrao kanase Homoeopathic medical College was facilitated by Dr. Saraswati kanase .

Our next chief guest Dr. Jyoti vinod chopade MD (Ayurveda) associate professor of S.V.N.H.T's Ayurvedic medical College and hospital , Rahuri Dist.Ahmednagar , Gold -medalist in Kayachikitsa , Ph.D in Yogashastra , working as head in cancer support of Anamprem was facilitated by Dr. Saraswati kinase.

After falicitation , students from 3<sup>rd</sup> year ( Iqra Khan and sakshi Kumbhar) , from 4<sup>th</sup> year ( Nitin Tiwari ) delivered speeches where the main aim of speakers focused upon women's empowerment, Gender equality, importance of women's education and role of "Women" in everybody's life . By referring to the life of many successful women's like sunita Williams and many more , students enlightened the fire of "**Dream it and achieve it**" in everyone present there.

Students ( Gitanjali Abhang and Nikita Gajare) presented some poems referring “ **Women’s are the beautiful creation of God , who is the flower and fire at the same time**” Beneficiaries from Suman rehabilitation centre Neelima Bahal -delivered speech and Sandhya Zade performed Maharashtra cultural dance ‘lavni’ that entertained the audiences so much.

Chief guests was welcomed to guide everyone. They beautifully presented the need of education and depicted women’s struggles in beautiful way . They encouraged by focusing on the importance of hardwork in life saying “**स्त्री फक्त एक जवाबदारी नाही तर एक संस्कार देखील आहे**” . After that the President of kulswani medical Foundation also motivated everyone with her powerful words.

Finally vote of thanks followed by speech was given by The respected Principal Dr. Kamlesh Gholap and ended the program whole heartily.

On 10<sup>th</sup> March 2022 we also arranged the programme of International Women's day at ZP School Nimsemala, Alephata. In the School the NSS volunteers Performed the Skit on Women's Empowerment which was followed by Health checkup camp. They distributed various homoeopathic medicines to all women's and given guidelines to all women's regarding various health issues.

NSS volunteers arrived at school around 11 AM. They had taken the weight, height and calculated BMI which explain whether the person is unhealthy or not of all the students and also checked their general health. And also prescribed the homoeopathic medicines where required....medical camps anywhere across india .the advantage of health check-up camp is that we provide service concessional rates.the objective of medical camp is to create awareness about preventive health check-up.....most of children are under malnutrition problem..we all were advised some type of food by maintain a healthy life style.....

### 33.Anti-Malaria Month Programme, Nathbaba Secondary School, Bota

Department of Community Medicine and NSS unit of AKHMC and Hospital conducted Awareness about Mosquito Borne Diseases and Mosquito Control Measures at Z.P. School, Malwadi on 30/06/2022.

The month of June is celebrated as Anti malaria Month so for that we have arranged the programme at school for the awareness about Mosquito Borne Diseases and Mosquito Control Measures. NSS volunteers taken a lecture about the mosquito borne diseases and mosquito control measures for the children. And also shown the mosquito larvae to the children..aApproximately 92% of malaria casesand 93%od malaria deaths are within low-and middle income countries .....these no.can be reduced by tackling the issue of non-adherence and adding to control strategies....a long acting injectable prophylactic will address the lack of adherence to current oral anti-malarial regimens .....a long acting chemoprophylactic will allow transmission control and supplement future strategies to eliminate the disease....

### 34. Anti-Malaria Month Programme, Z.P. School, Malwadi

Department of Community Medicine and NSS unit of AKHMC and Hospital conducted Awareness about Mosquito Borne Diseases and Mosquito Control Measures at Z.P. School, Malwadi on 30/06/2022.

The month of June is celebrated as Anti malaria Month so for that we have arranged the programme at school for the awareness about Mosquito Borne Diseases and Mosquito Control Measures. NSS volunteers taken a lecture about the mosquito borne diseases and mosquito control measures for the children. And also shown the mosquito larvae to the children...malaria is one of the serious public health problems in india ...thereafter an achievement was to be maintained by each state to hold down the malaria transmission at low level indefinitely .....mainly objective is elimination of malaria death ..reduction of malaria morbidity .....gives advice to clear any sources of stagnating water ,indoor, outdoors, as they can act as mosquito breeding ground ...wear pants and long-sleeved clothing ...Try to 2x power of goodnight gold flash at home to keep mosquitoes away .....so, stay protected and know about the telling signs of malaria and save your life..
