

1.2.1

Percentage of interdisciplinary / interdepartmental courses / training across all the programs offered by the college during last 5 years.

Interdisciplinary – Interdepartmental program / course

Interdisciplinary – Interdepartmental program / course is actively conducted in the institute since last few years. Such programs / courses are conducted once in a week for each year. These program / Course are conducted by subject faculties & students who are involved in the activity. Different code numbers are given to various courses according to the name of the subjects. Monthly time table of course is prepared by faculties of different years. Next months' time table is displayed in the last week of previous month. Then faculties give various assignments to selected students, like preparation of PPTs, collection of various simulation videos, collection of new information regarding given topic from Google etc. During preparation of topic importance is given to relationship of two different topics selected from at least two different subjects, according to timetable. In presence of at least two different departmental teachers, and according to timetable displayed, student present allotted topic in the class. It is mandatory for participants to explain relationship of the different topics from different involved subjects in the class during this inter-disciplinary, inter-departmental course. At the end faculties of both involved subjects give their expert comments in front of students & explain the relationship between two subjects. Online courses were conducted on Zoom during Covid-19 pandemic & lockdown in year 2020 & 2021. Details of programme register, minutes with reports is enclosed with this annexure. This program / course are one of the institutional best practices which are conducted by students & faculties for exchange of their knowledge.

Name & Number of such course conducted by institutions are enlisted as follows.

Year	2017-18	2018-19	2019-20	2020-21	2021-22
Number of inter-disciplinary / Inter-departmental courses	34	32	06	11	33

Percentage of interdisciplinary / interdepartmental course across programs offered by the college during last 5 years

Year	Name of program	No. of courses where interdisciplinary training was built in the program	Total No. of courses in year.
2017-18	I - B.H.M.S.	7	45
	II - B.H.M.S.	8	
	III - B.H.M.S.	8	
	IV- B.H.M.S.	11	
2018-19	I - B.H.M.S.	5	40
	II - B.H.M.S.	8	
	III - B.H.M.S.	9	
	IV- B.H.M.S.	10	
2019-20	I - B.H.M.S.	1	15
	II - B.H.M.S.	2	
	III - B.H.M.S.	1	
	IV- B.H.M.S.	2	
2020-21	I - B.H.M.S.	1	20
	II - B.H.M.S.	2	
	III - B.H.M.S.	3	
	IV- B.H.M.S.	5	
2021-22	I - B.H.M.S.	5	45
	II - B.H.M.S.	7	
	III - B.H.M.S.	11	
	IV- B.H.M.S.	10	
Total		116	165

Formula

Number of interdisciplinary / interdepartmental courses offered during last 5 years /

Number of course offered across all programme during last 5 years x 100

$$= 116 / 165 \times 100$$

$$= 70.30\%$$
