

1.3.2

Number of value added courses offered during last five years that impart transferable & life skills.

Value added curriculum :

The institution is dedicated to see that its graduates develop into multi faceted medical facilitators to serve society in a conscientious manner & at the same time attain success in their careers through application of their talent & skills developed during their course of study.

Presently this is taken care by providing the following curriculum to those of minimum standards prescribed by the central council of homoeopathy.

Yoga: Homoeopathy & yoga are the two science that augment with each other.

Anantrao Kanase homoeopathic medical college is the one to incorporate yoga in its curriculum.

The Yogasana are conducted on every Tuesday by Dr.(mrs) S.C.Kanase for all 4 years & continued during the internship. This activity is also supported by Dr. (mrs) A.A.kulkarni

Computer science: Modern homoeopathy has the scope & potential to explore the science of computer to the advantage of the sick & ailing. The institution has incorporated this education as value added curriculum .the student should be well versed in operating & programming.

This work is supported by Dr.S.S.Soman & Dr.Sunita Awari of repertory department.

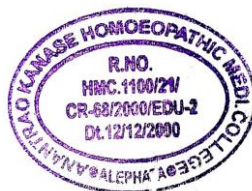

Personality development & public speaking:

The institution encourages the spirit of dignity in humility .every student learns to grow in an atmosphere of respect; obedience & discipline student are caught:

- 1) The art of good & elegant dressing
- 2) Regular seminar's topics from various allied & homoeopathic journals, case presentation, assignments, other presentation, viva voice from the basis of personality development & public speaking
- 3) Skills & street plays are conducted as part of public speaking & development of confidence in public
- 4) Regular talks & seminars by eminent speakers serve to guide student & train them.

National service scheme (N.S.S)

The institution subscribes to the N.S.S& is active in conducting the national programmes along with social activities. Students take

part in health care programmes & in conducting rural medical camps in various villages & Zilla Parishad Schools in Junnar Taluka.

Spiritual awareness:

The spiritual empowerment program is conducted once in a month i.e. 1st Tuesday of every month by Mr. Keshav Pund.

This helps in understanding human virtues, to strengthen the faith in prayers & meditation. This creates a realization of the higher purpose of our existence.

Certificate courses:

The institution encourages the students by conducting various courses that will be helpful in their future.

The courses are:

- 1) Patient right & education**
- 2) Disposal of biomedical waste**
- 3) Fire & safety**
- 4) Control of hospital infection**
- 5) First AID**
- 6) Spiritual awareness course**
- 7) Course on Yoga**
