

2.3.3

Teachers use ICT- enhanced tools for effective teaching and learning process including online e-resources.

1) For better use of information and technology in teaching and learning process our institute has one seminar hall with LCD projector, computer and internet facility. Institution also has 3 classrooms at ground floor having facility of LCD projector with internet connection. So our institution have total 4 classrooms with LCD projector having ICT enhanced tools for effective teaching and learning process. Teachers are conducting their regular Lectures/Clinics/Practical by using these equipment.

E-lectures- In every month teacher has delivered online lectures on zoom app during Covid-19 lockdown period and uploaded it on YouTube.

E-museum- Every teacher prepared more 10 topics of their subject with image and text which is available only on internet and not in textbook and by using this data prepared e-museum for their department.

LCD projector- institute has 4 LCD projectors with computer and high speed internet facility for classroom and departments.

2) Institute has purchased **Twinkle M.I.S software for ITC enable tools.**All teachers are using this ICT enable tool as LMS.

This software contains following facilities

- i. **Attendance management system**
- ii. **Feedback management system.**
- iii. **Online examination system.**
- iv. **E- Notice system.**
- v. **Syllabus coverage system.**
- vi. **Learning material distribution.**
- vii. **Alumni information system.**

- viii. Student information system.
- ix. Fees collection system.
- x. Faculty information system
- xi. Grievance Redressal System.
- xii. Student portal.
- xiii. Principal portal
- xiv. Suggestion
- xv. Mobile app for Faculties
- xvi. Mobile app for Students
- xvii. Mobile app for Principal
- xviii. Mobile app for Parents
- xix. Library management system
- xx. Hostel management system etc.
