

Key indicator 3.3

Research Publication and Awards (23)

3.3.1 (5)

The institution ensures implementation of its stated code of ethics for research.

The institution has a stated code of ethics for research, the implementation of which is ensured by the following:

1. There is an institutional ethics committee which oversees the implementation of all research -- Yes
2. All the projects including student project work are subjected to the institutional ethics committee clearance--Yes
3. The institution has plagiarism check software based on the institutional policy—No
4. Norms and guidelines for research ethics and publication guidelines are followed-- Yes

Our institution has created Ethical committee on 10/08/2022. In our institute 11 teachers are doing PhD from MUHS platform. This ethical committee is prepared for better quality of research work & to avoid plagiarism. Along with teachers students from 2nd to 4th years are also participating in various Research competitions, like MUHS Short term Research grant, Avishkar, & CCRH Short term studentship research.
