Formula-

Total number of books and chapters in edited volumes, books published and papers in national/international conference proceedings during last 5 years

Average number of full-time teachers during last 5 years.

$$5/29=0.172 \times 100$$

= 17.2% of teachers published papers in National/International conferences in last 5 years.

Supporting documents-

1. Papers published
2. certificate
