

3.5.1 (10)

Averagenumber of collaborative activities for research, faculty exchange, student exchange/industry- internshipetc.Per year for the last five years.

Total number of collaborative activities for research, faculty exchange, student exchange year wise during the last five years

Year	2018	2019	2020	2021	2022
Number of collaborative activities	2	4	1	11	4

Formula

Total number of collaborative activities during the last five years

5

$$2+4+1+11+4 = 22$$

$$\frac{22}{5} = 4.4$$

Total collaborative faculty exchange in last five years average is

4.4 / year

certificate of collaboration

DEPARTMENT- REPERTORY AND CASE TAKING

NAME OF TOPIC- BEYOND REPERTORY

Respected Sir/Madam,

Thank you for the time, talent and expertise you have given to **IV B.H.M.S.** students through your active participation. You have made difference through your dedication and continued support to our students. Your ideas, input and enthusiasm were most helpful and have assisted us in making valuable improvements to our inter-departmental activity.

Again, I thank you for your contribution, time and efforts.
