

4.3.2

Total no. of textbooks reference volumes, journals, collection of rare books manuscript digitalized traditional manuscript disciplined specific learning resources from ancient, and Indian languages, special reports or any other knowledge resources for library enrichment.

Report

Our institute have well equipped central library on ground floor having various facilities in it.

Capacity of central library is about 50 students. It is well maintained sufficient tables, chairs, light fan and ventilation system. Library has various and numerous textbooks, references of all subjects. Recently library is extended with digitalization. Digital library is have capacity of 10 students. This is ICT enabled library and students can search various study material online with the help of this.

This digital library is also linked with MUHS digital library. Librarian and assistant librarian is using software like MIS library management for betterment of work. E-Journals are also subscribed by this library. About 14 types of journals are subscribed on regular basis and are available for students.

There are number of Books available in our library. Various journals also available in Library for Students as well as Teachers.

Various facilities like drinking water (hot and cold), photocopy facility for students are also available in the central library.

Library is open from 9 am to 6 pm for 9 hours.

Total no. of textbooks/Reference book/ journals in year 2018 =5081

Total no. of textbooks/Reference book/ journals in year 2019 =6017

Total no. of textbooks/Reference book/ journals in year 2020 =6025

Total no. of textbooks/Reference book/ journals in year 2021 =6028

Total no. of textbooks/Reference book/ journals in year 2022 =6035

Total no. of Books = 6035

No. of Text Books = 1921

No. of reference Books = 4114

Total no. of Journals = 318
