

#### 4.4.2

#### *Institution frequently updates its IT facilities and computer availability for students including wifi.*

Institute is well equipped with internet facilities all over the campus. Though our institute is located in remote area of rural place still internet connection is good and satisfactory. We have Airtel broadband service in our college which gives speed around 25 MBPS. All classrooms , seminar hall and all departments are provided with Wi-Fi facility. All the computers have LED screen and are updated with Windows 07. Institute also has inverter with backup of 8-10 hours on which 5-6 computers with lights and fans can be used.

Under updation of IT and wifi facility, institute have prepared new computer lab cum Digital Evaluation Center(DEC) having 20 computer with new internet connection having 100 MBPS and 50 MBPS of two separate internet lines. It is going to be used for digital evaluation of MUHS theory Examination paper twice in year. In rest of year students are going to use it as computer library. This DEC is having inverter power supply for emergency use.

In the institute most of work is online with computer and internet that's why IT facilities expanded by institution. Students using central digital library along with newly prepared DEC for their ICT work.

Following are details of computers
