Orientation Programme for teaching Staff
प्रोसिडींग बुक

शाळा व्यवस्थापन समिती (S.M.C.)

विषय क्र.१:- The institute has organised a orientation programme on quality initiatives for teachers on the topic - Quality assurance
Speaker - Dr. Saman S.S

Date - 10/7/22

venue - Seminar hall

Following points are discussed in the Pgm.

विषय क्र.२:- 1] A quality control form is distributed to staff for theoretical and practical or clinicals graduation. At the end of week (form) it should be submitted to Dr. Dahale.

2] In theory - when a teacher giving lecture he/she should be ready with
a. content of lecture i.e. notes
b. reference books if req.
c. power point presentation, to make the lecture more understandable.

d. He/she should be punctual for each lecture.

विषय क्र.३:- e. He/she should always behave properly with students.

3] In clinics / Practicals
For clinics - Hands on clinic is mandatory.

- case taking should be taught properly by teachers
- Evaluation analysis of case is expected in case discussion.

शाळा व्यवस्थापन समिती (S.M.C.)
प्रोसिडींग बुक

विषय क्र.४:- 1. Repertorial Totality and repertorial charts should be prepared by students of each case.

• For Practicals - Each and every practical should be done by students as per syllabus of M.V.H.S & NCH.

• Conclusions and Results should be mention in the Journal at the end of each practical.

विषय क्र.५:- Record of practicals & clinics should be maintained by teachers every day with date and topic/subject.

Dr. Saman explain all above points to teaching staff in the session.

Orientation Programme for teaching staff प्रोसिडींग बुक

शाळा व्यवस्थापन समिती (S.M.C.)

विषय क्र. १:- The institute has organised a orientation programme on quality initiatives for teachers on the topic - Quality assurance
Speaker - Dr. Soman S.S

Date - 10/7/22

venue - Seminar hall

Following points are discussed in the Pgm.

विषय क्र. २:- 1] A quality control form is distributed to staff for theoretical and practical or clinicals graduation. At the end of week (form) it should be submitted to Dr. Dahale.

2] In theory - when a teacher giving lecture he / she should be ready with

- a. content of lecture i.e. notes
- b. Reference books if req.
- c. Power Point presentation, to make the lecture more understandable.

d. He/she should be punctual for each lecture.

विषय क्र. ३:-

e. He/she should always behave properly with students.

3] In clinics / practicals.

For clinics - Hands on clinic is mandatory.

- Case taking should be taught properly by teachers
- Evaluation analysis of case is expected in case discussion.

प्रोसिडींग बुक

शाळा व्यवस्थापन समिती (S.M.C.)

विषय क्र. ४:- Repetorial Totality and repetorial charts should be prepared by students of each case.

For practicals - Each and every practical should be done by students as per syllabus of M.U.H.S & NCH.

Conclusions and results should be mention in the Journal at the end of each practical.

विषय क्र. ५:- Record of practicals of clinics should be maintained by teachers every day with date and topic / subject.

Dr. Soman explain all above points to teaching staff in the session.
