World Tuberculosis Day Report

On the Occasion of world Tuberculosis Day that was 24th march 2019 Sunday , Poster competition was organized by AKHMC by Department of Community Medicine under guidance of Dr. Thorat S.L & Dr Patil S.B , in which students from first to final year participated . 22 posters were collected from students on 25th march and put on Display in hospital premises from 25th march to 28th march 2019.

Dr Nikhil Kanase and Dr Yogeshri Kanase were the judges for the poster competition. They selected 3 winners , Prize distribution was done on 10th April 2019 on the occasion of world World Homoeopathic Day , in which 1st prize was given to miss Umme Ruman from 3rd year, while second prize given to Miss kajal wagh from final year and third prize was given to miss Pratiksha Munjal from final year.

Students participated enthusiastically and from this poster making competition they gain knowledge about treatment and prevention about tuberculosis and also the posters were presented in Hindi & Marathi it was easy for laymen to understand them , thus creating awareness in community.

DEPARTMENT OF COMMUNITY MEDICINE

World Health Day Report

Respected Principal,

On the occasion of World Health Day which was on 7th April 2019 Sunday, a program was arranged in AKHMC & H on 10th April 2019 by department of Community Medicine.

The lecture on UHC was given by Dr.Thorat S.L. in which explained about organizational structure of world health organization, about their work, major achievements. World Health Day is celebrated on 7th April every year to mark the anniversary of the founding of WHO. Each year the theme is selected that highlights the priority area of public health. The theme of this year is “**universal health coverage: everyone, everywhere**”. Also told about Ayushman Bharat Program to expand universal health coverage in rural and vulnerable population.

DEPARTMENT OF COMMUNITY MEDICINE

Report of Stress management and cervical cancer awareness camp

A stress management and cervical cancer awareness camp was organized by Department of community medicine of AKHMC and H at Shubham Tarangan (club house) on 17th May 2019, Friday.

On 17th May 2019, Interns, students of final year BHMS along with Dr.ShankarYamulwad and Dr.PrakashMhetre under the guidance of Dr.Sandhya Thorat visited the Shubham Tarangan.

Here we conducted a Jagaran campaign under which we created awareness among women's and all other peoples about cervical cancer and stress.

A short conversation was put forth by interns and students to make people understand about stress and its management and discussion between two interns about cervical cancer. Also given information about HPV vaccine and PAP test. After that yoga session was taken by final year students.

The building secretary and all other peoples were much co-operative and helpful and for them this activity proved to be inspiring one which motivated the people for the importance of exercise and HPV vaccine.

Interns and students participated in the activity enthusiastically.

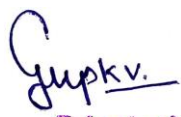

World No Tobacco Day activity report

World No Tobacco Day activity was organized by Department of Community Medicine of AKHMC and H for final year students at Ale on Friday 31st May 2019.

I Dr. Snehal Patil (Assistant professor of Department of Community Medicine) and final year students Rathod Pankaj, Singh Avinash and Pal Shubham reached to **Atharv mangal karyalay, Ale** at 10.45 am. We have prepared the slogans and charts about the awareness of Tobacco addiction. They are displayed there and also told to the people about effects of tobacco addiction and how to stop it. The activity is conducted till 1:00 PM.

Entire activity was conducted under the guidance of Dr.Thorat S.L.(HOD and Associate Professor of Department Of Community Medicine).

DEPARTMENT OF COMMUNITY MEDICINE

Breast Feeding Awareness Activity

Respected Principal,

On the occasion of World's Breast Feeding week which is celebrated all around the world on 1st week of august that is from 1st august to 7th august, Department of Community Medicine AKHMC & H in collaboration with Primary Health Center Belhe had organized field activity at **Belhe PHC on Monday 5th August 2019.**

Final year students along with Dr.Thorat S.L and Dr.Snehal Patil gathered at PHC at 11 AM. It was a pleasant morning but rainy weather. Many females had come to PHC for different checkups and for Immunization of children's. We with the help of Dr. Thorat S.B. (Medical Officer) and PHC staff gathered all women in their seminar hall and gave them information about breast feeding.

This activity is conducted as a Focused group discussion for mothers. Here final year students spoke about What is Breast Feeding and what are advantages of Breast feeding. Also demonstrated the positions of Breast feeding through images. Also told about artificial feeding and weaning of baby and precautions taken to avoid infections during weaning period.

Impact of this focused group discussion was motivating for mothers.
