

7.2.1.

Describe two Institutional Best Practices as per the NAAC format provided in the manual

1. Developing Homeopathic knowledge through synergic effect.
2. 72 Lessons

1. Developing Homeopathic knowledge through synergic effect.

1.1 Regional Homoeopathic Conference

Title of the Practice

Regional Homoeopathic Conference

Objectives of the practice

To get & to provide knowledge from best Homoeopaths from our country.

The Context

Challenge was to make contact with such persons & to get their willing ness to visit at our Rural area.

The Practice

Regional conference was arranged for 3 days on 16th, 17th, 18th of feb-2020& speakers was,

1. Dr. AdilChimthanawala
2. Dr. AmbrishVijaykar
3. Dr. Prasad Rasal
4. Dr. ShaileshDeshpande
5. Dr. Nandini Joshi

Evidence of Success

The conference was really successful event, as students from this as well as from nearby colleges getbenefited by the knowledge given by 11renowned speakers.

Problems Encountered/resources Required

The homoeopathic pharmacies like JeevanPharmacy, SBL, Backson provides stall for conference

Notes

Students from other homoeopathic college participated in **poster as well as model competition** held on these three days

1.2 M.U.H.S. Rankers

Title of the Practice

M.U.H.S. Rankers

Objectives of the practice

1. Ume Ruman(2017)
2. Kirti Bhor(2021)
3. ChetanaDahake for Malati Allen Nobel award.

The Context

To give guidelines to students to get such success.

Principal
Anant Rao Kanase Homoeopathic
Medical College & Hospital
Alephata

The Practice

Regular tutorials Extra lectures. Special guidelines.

Evidence of Success

Certificate of MUHS Rank is enclosed.

Photograph of Malati Allen prize distribution is enclosed.

Problems Encountered/resources required

Regular study material given by teachers.

Notes

1.3 Student's achievements

Title of the Practice

Student's achievements

Objectives of the practice

- 1.National Webinar Series at Gadha
- 2.Participation in MUHS Indradhanushya
- 3.Participation in Pandharpur Wari
- 4.MUHS Avishkar Competition
5. Nanal Intermedical competition
6. Internship program of National Academy of Homoeopathy
6. State level online street play competition
7. LMI Global Colloquium 2021
8. MUHS essay writing competition on Hahnemann's day 2022

The Context

- 1.Geetanjali Abhang
- 2.Almaz Shaikh
3. Preeti Sarfare
1. Shrinivas Rathod
2. Divya Lonari
3. Prasad Joshi
1. Pooja Sahane
2. Sheetal Gambhirrao
3. Aishvarya Jadhav
- Yashvant Chinchane
- Yashvant Chinchane
- Yashvant Chinchane
- 1.Shivani Pnnase
- 2.Gitanjali Abhang
- 3.Ikra Khan
- Yashvant Chinchane

Gupkv.
Principal
Anant Rao Kanase Homoeopathic
Medical College & Hospital
Alephata

The Practice

Students participated in National Webinar series on Basics of Homoeopathy

Evidence of Success

Certificates are enclosed

Problems Encountered/resources required

To encourage students for participation

Notes

1.4 Teacher's Achievements

Title of the Practice

Teacher's Achievements

Objectives of the practice

11 teachers of the institute have taken admission for M.U.H.S. PhD course at various colleges in year 2021-22

The Context

To select proper subject for Research work in Rural area & to do research.

The Practice

Till the end of Dec 22 All 11 teachers had submitted their synopsis & started their research work in their selected topic.

Evidence of Success

Teachers list is enclosed..

Problems Encountered/resources required

Resource is patient itself. All teachers started organizing various camps & started collecting patients of their respective subject.

Notes

Research work is going on.

1.5 N.S.S. activities

Title of the Practice

N.S.S. activities

Objectives of the practice

1. Seven Days residential camp was arranged at Kolwadi - 16-7-22 to 22-7-22.
2. Ayush covid 19 prevention activity. 12-2-22 to 26-2-22
3. International women day 8-3-22.
4. Swachhata Pakhawada on 21-3-22 to 4-4-22
5. Poshan Pakhwada-Anaemia 21-3-22 to 4-4-22
- 6 Tree Plantation on 10-6-22
7. Antimalaria month 30-6-22.
8. Breast feeding awareness week 30-8-22.
9. Sevasaptah 17-9-22 to 23-9-22.
10. Rashtriya Poshan Maah. SEPT 22

11. NSS DAY

The Context

1. Challenges was to create awareness in peoples about self & environmental cleanliness.
2. To organize residential camps.
3. To make contact with nearby community and to make them health aware.

The Practice

1. Rally for awareness
2. Survey in families related to health issues
3. Free health checkup camp.
4. Blood donation camp, tree plantation, mental health, female health issues were discussed by college teachers.

Evidence of Success

This camp proves very helpful for the peoples in Malwadi .

Problems Encountered/resources required

At present it is Institutional self-finance unit.

NSS nodal officer making contact with Grampanchayat members, Sarpanch, local authorities for organization of NSS programs

Notes

All programs were conducted successfully.

1.6 Campus Conducted

Title of the Practice

Campus Conducted

Objectives of the practice

About 15 to 20 camps are conducted every year to give benefit to the nearby community.

The Context

1. To expose the students for Hands on clinics.
2. To give benefits to Nearby community.

The Practice

About 15,20 camps were conducted by Institution. List is enclosed.

Evidence of Success

Event is successful. Few pictures are enclosed.

Problems Encountered/resources required

Grampanchayat members, Sarpanch, local authorities, involved students for organization of local camps.

Notes

Students are getting hands on clinic. Nearby community is getting health checkup benefit which is free of cost.

1.7 Distribution of Arsenicum album 30C during Covid 19 pandemic

Title of the Practice

Distribution of Arsenicum album 30C during Covid 19 pandemic

Objectives of the practice

To distribute Aesenic 30C in nearby community as per guidelines given by Ayush.

The Context

To distribute Arsenic 30C in community as a prophylactic against Covid -19

To develop immunity of community against Covid-19

The Practice

All teachers & students are instructed to distribute Arsenic 30 & asked to prepare its report to principal.

Evidence of Success

About 10,000 bottles of Arsenic 30C were distributed to various villages, Banks, Police stations etc. Appreciation certificate were collected.

Problems Encountered/resources required

Activity was conducted during Covid-19 pandemic so to take self-protection, to get PPE kit was major problem in this activity.

Notes

Program was successful.

2. 72 Learning lessons for Interns for clinical examinations.

2.1-72 Learning lessons for Interns for clinical examinations

Title of the Practice

72 Learning lessons for Interns for clinical examinations.

Objectives of the practice

The Institute is running this activity since last 4 years. The objective is to make the Interns skillful in diagnosis at clinical level.

The Context

Challenges are to allot the teachers for each group of student & subject for clinical examination.

The Practice

Interns are working for various clinical examinations & are submitting it to various teachers. Teachers are not signing their assignment till they are not giving proper answers to teachers.

Evidence of Success

Interns become confident in clinical examination & also develop their confidence of actual examination on Patient.

Problems Encountered/resources required

Resources required are Intern itself & faculty of institute.

Notes

It is very useful & very favorite activity among interns& fourth year students.

2.2- E-Museum

Title of the Practice

E-Museum

Objectives of the practice

Objective is to expand the knowledge of students related to that subject

The Context

Challenges are related to collect the information which is not given in text-books. So students were instructed to collect it from internet.

The Practice

Different groups of students of all years was prepared by HOD of respective department & was ask to prepare hard copy of e-museum in file & soft copy in pen drive. They are also instructed to add animated videos & live videos of their topics. Activity seems to be innovative among students. All e-museums are preserved in respective departments.

Evidence of Success

Students gained more knowledge regarding their subject with the help of internet facility. They also get more knowledge after observing animated videos of their subjects.

Problems Encountered/resources required

Resource required was to make availability of internet to students & pen drive. Internet is available in e- library as well as in all four classrooms which are ICT based classrooms.

Notes

It is very one of the best innovative activities among students.

2.3- Journal Club

Title of the Practice

Journal Club

Objectives of the practice

Objective is to expand the general knowledge of students and Faculty through different Journals.

The Context

Challenges are to order different Journals.

To encourage students to read various journals.

The Practice

Program coordinator selects any one journal form library & encourages different students to read different topics from it. It is followed by question & answer session.

Evidence of Success

Students gained more knowledge regarding their subject with the help of various journals. They also get acquainted with recent research work done & published in the field of medical science thought the world.

Principal
Anantrao Kanase Homoeopathic
Medical College & Hospital
Alephata

Problems Encountered/resources required

Resources required were to make available various journals in central library. At present our institute has subscribed for 14 different journals & it is available for students for reading.

Notes

Students are getting recent research knowledge in the field of medical science.

2.4- Arogya – Jagar Facebook page

Title of the Practice

Arogya – Jagar Facebook page

Objectives of the practice

To create awareness among lay person on different health issues and promote knowledge on healthy life.

The Context

To promote this page and to reach to all the places where proper medium of knowledge can't be reached

The Practice

Depending upon the occasion health tips are updated on Face book page. Like on event of Navratri teachers talk about different health problems which are face by females.

Evidence of Success

A growth in awareness about health of people increased and people from different field approached for more knowledge about health.

Problems Encountered/resources required

As it is Facebook page people are still not aware about its utility.

Notes

Link is provided

2.5- CPR – Module created by students

Title of the Practice

CPR – Module created by students

Objectives of the practice

To give knowledge to all the staff and students of our institute about CPR & Basic Life Support

The Context

All the staff and students were taught basic CPR

The Practice

Teachers & 4th year students are first trained with the activity & they all are instructed to conduct same activity with all students, teaching staff, nonteaching staff & hospital staff.

Evidence of Success

All the staff and students were able to perform CPR as each participant was required to do demonstration of CPR.

Problems Encountered/resources required

Principal
Anant Rao Kanase Homoeopathic
Medical College & Hospital
Alephata

Technical issues like unable to open link.

Also while giving online exam class 4 staff found it difficult as exam was in English language

Notes

Photos and certificates attached

2.6- Knee joint pain – Module created by students

Title of the Practice

Knee joint pain – Module created by students

Objectives of the practice

To give knowledge to all the staff and students of our institute about Knee Joint pain.

The Context

All the staff and students were taught all information regarding Knee joint

The Practice

Teachers & 4th year students are first trained with the activity & they all are instructed to conduct same activity with all students, teaching staff, nonteaching staff & hospital staff.

Evidence of Success

All the staff and students were able to perform knee joint pain module as each participant was required to do demonstration of it.

Problems Encountered/resources required

Technical issues & in understanding the concept to nonteaching staff.

Notes

Photos and certificates attached.
