

8.1.5

The Institution uses methods including software for training of students and teachers in homoeopathic clinical decision making and medicine selection(500 words)

In the principal's office we have 2 Software's with 1 computer and the repertory department has a computer lab with 5 computers and 5 homoeopathic software's, which are used for training of students and teachers in homoeopathic clinical decision making and medicine selection.

List of Software's:

1. RadarOpus 1
2. RadarOpus 2
3. Hompath MD
4. Zomeo
5. Hompath Firefly 1.0
6. Neometal 1.0
7. Ice Breaker

1. **RadarOpus:** RadarOpus is a comprehensive software solution for the professional Homeopath with a modern look and clean graphic interface, giving you quick access to everything you could ever need in a busy practice!
2. **Hompath MD:** It's a software solution created to help practitioners, medical students and researchers store important patient information and create reports on prescriptions and other data.
3. **Zomeo:** HompathZomeo is innovative next generation Homeopathy software for Homeopathy researchers, practitioners, teachers and students. The advanced repertory software provides indispensable data and features to analyse your patients' case and helps you to arrive at prescriptions in minutes. Packed with Complete Repertory 2022, 42 repertories, 1300 volumes of Homeopathy books with intelligent and accurate search and expert systems, the software is a complete A-Z solution for every homeopath.
4. **Hompath Firefly:** Hompath Firefly the most intuitive Homeopathic Software designed specifically to help you understand various concepts in homeopathy from a wider perspective. It lets you access the vast database of repertories, materia medica, clinical books and therapeutics, MCQ and Mock tests. Built with patient management system, you can record, store, analyse the case & prescribe the remedies at an amazing speed.
5. **Neometal:** Neo Metal is homeopathic software with vast collection of data with exhaustive information of Materia Medica, Repertory, Clinical Tips, Cases and Keynotes which brings a new, proven and successful way of practicing homeopathy. Your channels of success open up with various opportunities to share knowledge, research, learn and network with the stalwarts of homeopathy.
