Clinical training for new interns.
Analysis of Tutorials

Dr. Thorat S.L. identified a lacuna for new interns, that they ~~need~~ need clinical training before or after their orientation.

She proposed that training will enhance their knowledge and confidence while treating the patient.
Dr. Soman seconded for the above proposal.

All staff also seconded for above proposal.

Then second point of discussion was analysis of tutorials. It was proposed by Dr. Shinde MB that, tutorial result & its analysis should be

Submitted by each dept with slow and fast learner format. Necessary action has to be taken by dept against slow learner in the form of academic improvement.
