Independence Day

India's 73RD Independence Day celebrated with enthusiasm in the college

India's 72nd Independence Day was celebrated with enthusiasm at Anantrao Kanse Homeopathic Medical College. Various programs were organized on this occasion. The program was attended by President Dr. Chandrakant Kanse, Secretary Dr. Saraswati Kanse, Executive Trustee Dr. Nikhil Kanse, Dr. Yogeshree Kanse, Mr. Shubhankar Kanse, Mrs. Shraddha Kanse, Principal **Dr. GHOLAP K.V.**, teachers, non-teaching staff and students were present in large numbers.

In honor of the soldiers who defended the country, this year's flag hoisting was done by DR. SARASWATI KANASE who is working in the college.

After that both these dignitaries were honored. Mr. Savaleram Chaudhary opined that the defense of the country is not only the responsibility of the soldier but of every citizen of the country. Also, while living the life of a soldier, one has to endure many hardships, one has to find a way out of adverse situations. No matter how difficult the situation may be, one has to overcome it and move forward stubbornly. Such an inspiring opinion was expressed by Mr. Yogesh Korvi on this occasion.

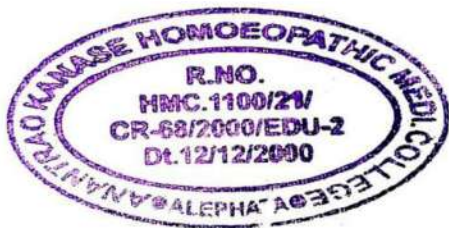

After that, Dr. Nikhil Kanse, Dr. Yogeshree Kanse, executive trustee of the institute, planted a tree in the college premises. Also, a Prabhatferi was conducted from college to Alephata to create public awareness about 'Beti Bachao Beti Padhao' and an excellent street play was performed on this in Alephata ST Std by the students of the college. Villagers and travelers responded well.

The program ended in this way.

India's 72nd Independence Day celebrated with enthusiasm in the college

India's 72nd Independence Day was celebrated with enthusiasm at Anantrao Kanse Homeopathic Medical College. Various programs were organized on this occasion. The program was attended by President Dr. Chandrakant Kanse, Secretary Dr. Saraswati Kanse, Executive Trustee Dr. Nikhil Kanse, Dr. Yogeshree Kanse, Mr. Shubhankar Kanse, Mrs. Shraddha Kanse, Principal Dr. Sheikh Saira, teachers, non-teaching staff and students were present in large numbers.

In honor of the soldiers who defended the country, this year's flag hoisting was done by ex-serviceman Mr. Savaleram Chaudhary and Mr. Yogesh Korvi who is working in the college.

After that both these dignitaries were honored. Mr. Savaleram Chaudhary opined that the defense of the country is not only the responsibility of the soldier but of every citizen of the country. Also, while living the life of a soldier, one has to endure many hardships, one has to find a way out of adverse situations. No matter how difficult the situation may be, one has to overcome it and move forward stubbornly. Such an inspiring opinion was expressed by Mr. Yogesh Korvi on this occasion.

After that, Dr. Nikhil Kanse, Dr. Yogeshree Kanse, executive trustee of the institute, planted a tree in the college premises. Also, a Prabhatferi was conducted from college to Alephata to create public awareness about 'Beti Bachao Beti Padhao' and an excellent street play was performed on this in Alephata ST Std by the students of the college. Villagers and travelers responded well.

The program ended in this way.
